

BRIDGE OPENING TO BE A BIG PARADE

Publisher's Column

SMALL POOL
The many millions of Alexander Partridge, theater magnate, failed to name him from conviction of assaulting Frank Pringle, 11, a dancer. A jury which found him guilty at Los Angeles Sunday night, recommended mercy. The "mercy diet" of the verdict, however, means little, because the sentence under California law is automatic. It will have weight, though, with the pardon board in fixing the length of the theater baron's term after he has served the first year of his one to five year sentence. It is said.

The defendant, pale and restless at his counsel table, made no comment, when the verdict was read.

Partridge daughter, Carmen, collapsed before the clerk had finished reading the verdict. Only two months ago she heard her mother's death of the death of Jurio Ronolo, Japanese, in an automobile smash.

Rodney Partridge, son of the theater magnate, sat with his arms about his sister. At their side was their brother Lloyd.

The theater man was ordered to the county jail. Sentence will be pronounced November 1. Defense counsel announced that the fight will be carried to the highest courts of appeal.

The jury was out just fifty-three hours.

Miss Pringle created a commotion which ended on August 9, when she ran into a Los Angeles downtown intersection, screaming that she had been attacked. She sobbed out a tale of being lured into an isolated conference room, where she claimed the famous showman made love to her and then attacked her.

The theater man was allowed to talk with relatives in a conference room, after his conviction, before he was taken to jail.

Frank Lindley in appreciation of the work of the Fire Department at the recent fire at his home on East Riverside Drive, presented them with a big cake and a box of cigars.

Officials of the Old Ladies Home today issued the following appeal:

PANTAGES ATTACKED DANGER LOS ANGELES JURY DECIDES AFTER LONG DELIBERATION

Defense Lawyers Prepare To Appeal—Jury's Mercy Plea Cannot Change One To Fifty Year Sentence

Party Heads Plan Rallies To Close Fight For Office

REPUBLICANS TO HOLD RALLY TUESDAY; DEMOCRATS ARE TO STAGE ONE SATURDAY

Republicans and Democrats are entering the stretch in the race for municipal offices.

The Republicans are to make their last public appeal at 7:45 o'clock Tuesday night in a rally at the Knights of Pythias armory.

The Democrats plan their last rally Saturday night, either at the armory or at the Dream Theater.

"The Truth About the Present City Administration" is the topic of an address prepared by Mayor Henry C. Ponder.

The public is invited to hear his message.

The committee expects the armory to be packed to capacity when the mayor asks the voters to re-elect him and to cast their ballots for another Republican administration.

The Republicans in automobiles will parade through the city with a band just before the meeting.

Charles K. Zollman, Democratic city chairman, announces that the Democrats plan a monster rally Saturday night to give final impetus to the campaign of Allen W. Jacobs.

Candidates for mayor, and the Democratic ticket, will be a band concert and parade preceding the rally.

A more detailed program will be announced later.

The Democrats plan the last of a series of weekly meetings in the interest of their city ticket Wednesday night at Jeffersonville court-house.

Prof. Samuel I. Scott, Grover C. Todd and Judge James W. Fortnace are to be the speakers.

The Republicans will not hold their regular Friday night rally this week because of the opening of the musical bridge fireworks program on that night.

Both Democrats and Republicans said that the weekly rallies have shown great enthusiasm among the voters, and both claim that their candidates will win.

GOVERNORS OF SISTER STATES TO MEET ON SPAN OVER RIVER AS BANDS BLARE AND GUNS BOM

Celebration To Start Thursday With Luncheons; Parade From Either Side Of River Planned To Follow

The Ohio River, which since the city's foundation has halved traffic Dixie-bound from Jeffersonville, will be congested on All Saints' day.

In the biggest Halloween celebration the Falls Cities have ever known, Jeffersonville and its sister city on the Kentucky shore, will signalize the opening of the new municipal highway bridge with ceremonies in which the governor of Kentucky and the governor of Indiana are to play leading parts.

Although lacking in the liquid cheer that made famous the conference of the governors of North and South Carolina, the meeting of the two governors and their constituents Thursday will be no less hearty in pledges of friendship, cementing the union between North and South.

The program for the bridge dedication has been announced by Michael D. Schlosser, chairman of the Jeffersonville bridge committee.

The celebration will open with three luncheons at noon Thursday. Governor G. Leslie of Indiana and other Hoosier notables, will be guests of the Jeffersonville committee at the Masonic Temple. The first twenty-five Jeffersonville business men, other than members of the committee, who make reservations, will have places at the table.

The Louisville Bridge Commission will entertain Gov. Flinn D. Sampson at the Brown Hotel. The Courier-Journal and Louisville Times will give a luncheon for Southern Indiana Editors at the Brown Hotel.

At 1 o'clock p. m. band concerts will start on either side of the river—the Louisville bridgehead, Second and Main streets, and at Court avenue and Spring streets, Jeffersonville.

The Louisville parade is to form at 1:30 o'clock at Fourth street and Broadway. Simultaneously another is to assemble in Jeffersonville on East Court avenue and in Warden Park.

The Indiana marchers will go East on Court avenue to Walnut street, south on Maple to Spring street, north on Spring to Court avenue and west to the bridge by way of Sixth street.

Both processions will be led by police detachments, artillery units and bands. Governors, senators, congress-

PAVED HIGHWAYS

The Indiana State Highway Commission has advertised to let contracts for sixty-five miles of paved road to be constructed in 1930. One of the roads runs from New Albany through Corydon, Leavenworth, Evansville and Mt. Vernon to the Illinois State line. A former lotting for ninety-eight miles is another part of a total of 550 miles to be built in 1930.

STATE INDUSTRIAL BOARD

Charles A. Rootwell of Claverdale will be appointed by the Governor to succeed Ray V. Gibbons on the State Industrial Board. This is the State Board that grants workmen's compensation for injuries and to relatives for death due to accidents.

SHERIFF IN TROUBLE

While the sheriff of Lake County was taking four convicted offenders to the State Farm and traveling between Crawfordsville and Putnamville the convicts took the driving wheel from him, drove it into a ditch and walked away. Before they could get beyond reach, another automobile came along and the driver with the sheriff, both armed, rounded up the convicts. They were handcuffed and taken to the State Farm.

COLLEGE BOY KILLED

Halie Lindley of Kokomo, a sophomore at the State Teachers College of Muncie was fatally shot Sunday morning, while leaving Jessie Genter's Garage in Muncie, with a can of stolen gasoline. Lindley ran when Center commanded him to surrender, whereupon he was shot.

It occurs to the writer that the boy was evidently hard up financially, probably working his way through college. In that event the man who shot him ought to be severely dealt with, and a term in the State Prison would not be amiss.

PETTIT THIEF

Here is a fellow that should be punished for larceny. Albert Mason was caught by the Sexton of St. Anthony's Catholic Church in Louisville in a pre-sumed attempt to rob the poor box. The box had been robbed on several occasions and the Sexton had been instructed to keep a watch after Sunday services. He saw Mason poke a corner stay into the slot of the money box, and when he went towards him the latter ran, but the Sexton overtook him and turned him over to the police.
